The Annual Omaha Polled Shorthorn Sales have been, for many years, one of the greatest Polled Shorthorn bull markets in the nation.

It has been the custom for many breeders of registered Polled Shorthorn cattle, to sell their best bulls at this outstanding livestock event.

Purebred and commercial cattlemen, who are seeking top quality at a reasonable price, will find it at Omaha where there will be a "maximum" selection in the 92 Polled Shorthorn bulls being offered. The breeding and individuality are the best, and the bulls are of strong ages, sound, healthy and fully guaranteed. Only six females offered, but a top selection of young, bred and open heifers. Omaha is easy to reach, and excellent truck and rail line service make delivery problems easy.

**Attend the 45th Annual Shorthorn Sale – same location,
Wednesday, February 10, where 98 top quality bulls sell.**

POLLED SHORTHORN BULL HEADQUARTERS

The Annual Omaha Shorthorn Shows and Sales have been, for many years, one of the greatest Polled Shorthorn herd bull markets in the nation. It has become a custom for many breeders of registered Polled Shorthorns to sell their best bulls at this outstanding livestock event.

The wide accord favored cattle sold in these annual sales is proof of the outstanding quality offered each year. Forty-five years is a long time, and it's no wonder that today many of the breed's finest cattle trace to an Omaha origin.

It's interesting to note that in the past 10 years the champion and top-selling bulls at Omaha have gone to buyers from Missouri, Nebraska, Idaho, South Dakota, Tennessee, Pennsylvania and Ohio.

Thus, the Omaha record speaks for itself and we want to assure you that we will be most happy to take care of your shipments after your purchases have been made and, in this respect, Omaha again offers the finest in both truck and rail transportation.

While you are in Omaha, plan to visit the home office of the American Shorthorn Association located right across the street from the sale arena. So, do plan now to be in Omaha on February 11th to do your Polled Shorthorn bull buying — it's the place you will get the most for your money this year.

R B SUPERBOMBER 38th — This dark red son of R B Superbomber was the reserve junior champion at the 1959 Nebraska State Fair. He was a member of the 1st prize Get of Sire and two bull groups. A full brother sold last fall to Stan Durnin in Canada. His dam, Eliza 4th, has been one of our best producing cows and her first calf was a champion female at the Nebraska Futurity in 1953. In 1956, the reserve champion bull, at the same show, was her son. He has a great head, a lot of weight for age, coupled with excellent conformation and smoothness.

MAX LEADER x - This is the first bull that we have from our new herd bull, Coronet Max Leader 4th, who won his class at the International. Alpine's showed the Reserve Champion Bull and Senior Champion Female at Iowa State Fair from him. His mother, by Juggler's Type, won her class at the National show at Iowa State Fair and Reserve Jr. Champion at Nebraska in '55. This is a bull that could easily win in strong competition next year - very good headed, bone to spare and a very good bull all over. He can go into a top Shorthorn or Polled herd and make a good account of himself. Should be a 100% dehornor like his sire. On December 15, he weighed 1060 lbs.
